

# THE LULLABY CONNECTION

## A Community Outreach Program of Southern Nevada

---

Date: March 31, 2014

Dearest Danielle,

Today is the BEST day! Thank you for sponsoring the “Blankets for babies” service challenge for the Lullaby Connection. The response to your challenge has been overwhelming; the final count of blankets we received was 116!

As you know, TLC’s primary mission is to provide basic essentials to underprivileged newborns in our community and we deeply appreciate every volunteer and sponsor who helps us provide these services. A very wise person once said, “Every beautiful flower that will ever exist is found in the seeds of today”. Just as a flower needs the warmth of the sun and the nourishment of the water, so too will these lovely blankets provide just that extra ray of hope to a family in desperate need of its sunshine. To you Danielle and to everyone who contributed to this challenge thank you for your charitable endeavors you have lightened a burden and have contributed hope to those in need.

With Fond Regards,

*Darla J. Hayden*
