hey bestie!!!

I am thrilled to welcome you to our 31-Day Simplify and Declutter Challenge - so we can shine BRIGHTER, by making things LIGHTER!!

This journey is about more than just tidying up—it's about freeing ourselves from the clutter that weighs down our spaces and our spirits. Together, we'll embark on a transformative process to create more breathable, enjoyable, and energizing environments in our homes and lives!! I am SO excited to do this with all of you!!

Each day, we'll tackle a different area of our lives—from the physical spaces like drawers and closets to the digital realms that often go unnoticed. Our daily challenges are designed to be short, manageable tasks that lead to significant results by the end of the month. You can find the complete calendar attached to this cute little packet!!

I am incredibly excited to take on this challenge with all of you! This is a fantastic opportunity for us to support each other and share our progress. I encourage you to share before and after photos, tips, and personal stories through our Inner Circle community!! AND bonus - just like our other month's challenges - there is a fun PRIZE at the end for every photo you post in the group, throughout the month!! EEEEEK!

Remember, the goal of this challenge is not just to declutter, but also to simplify our lives. This means making space for what truly matters. By clearing the clutter, we open up room not only in our physical surroundings but also in our minds for the things that bring us joy and peace.

Thank you for joining me in this very special challenge!! I am SO happy that you are here!! Your participation is what makes our community so incredible, and I am so proud to be taking this step with each of you. Let's make this May a memorable month!

love you!!!

xoxo Dani
